

FLAMENKELE

FLAMENCAS

The **FLAMENKELE** by **admira** is a guitarlele with flamenco soul that fuses the essence of flamenco with the charm and comfort of the guitarlele.

With its distinctive design and passionate sound, the **FLAMENKELE** by **admira** is the perfect companion for your travels and for exploring the rhythms and melodies of flamenco in a unique and captivating format.

Our **admira** **FLAMENCAS** guitars are renowned for their authentic Spanish sound and aesthetics. The lower string action and narrow body depth make these guitars ideal for expressing your flamenco artistry as well as other musical genres that require a powerful, percussive sound.
